Brief Description: The Blue Cross and Blue Shield of Alabama Kids Mercedes Marathon (February 11, 2017) is an innovative five-month endurance building running/walking program for K-5th graders. Children will run the distance of a full marathon (26.2 miles) over the course of the five month program. To achieve this goal, kids must train for the last mile of their marathon by running 25.2 miles in 1/4, 1/2, 3/4 or 1 mile increments between now and the end of January 2017 to qualify for race day participation. Each student will run in PE class and/or with their parent(s) and will keep a running log sheet to track his/her progress. Mileage is based on adult supervision and the honor system. As each child completes their final mile on the actual marathon course on Saturday, February 11, 2017, he or she will receive a Blue Cross and Blue Shield of Alabama Kids Mercedes Marathon Finisher's Medal (a miniature version of the Mercedes Marathon finisher's medal). You must run your final mile on February 11, 2017 in order to receive your medal. There are no official winners. Our motto is "if you had fun you won!!" Please see the website for more information.
